Dear Silver Key Coalition Members:

On behalf of the Michigan Commission on Services to the Aging, I want to thank you for your unwavering support and advocacy for this year's state budget that will provide a \$20 million investment for older adult services. Thanks to your efforts, 4,500 older adults will now be able to get access to the help and support they need.

This is a positive step in the right direction for Michigan. It is also a great opportunity to continue this important conversation with the Legislature as the older adult population continues to grow.

You are to be commended for your commitment to the health and well-being of Michigan's older adults. Once again, thank you for all the great work you've done, and for your commitment to Michigan's older adults.

Sincerely,

Harold Mast, Chair  
Commission on Services to the Aging
