NEW THIS YEAR · END OF FY 2026

4,734

older Michiganders get some help at home, but not enough.

2,841 need more meals

1,893 need more in-home help

They aren't on a wait list, so their need is easy to miss. But fewer meals a week or fewer hours of care than they need puts their health and independence at risk, and that leads to more costly care down the road.

$10M	**+ $4.8M**	**= $14.8M**
Wait list: people getting no services yet	Underserved: getting some services, not enough	To serve every older adult who needs help

NEW IN OUR FY 2027 ASK

$4.8 million

ACLS Bureau budget, in addition to the $10M wait list request

Home-Delivered Meals	**$2.9M**
In-Home Services	**$1.9M**

Take action: Ask your state legislator to fund the full need. Find yours at house.mi.gov and senate.michigan.gov.
